

Abdulla El Madani

Mobile No. Jordan 00962-796532880, Email: elmadani6262@hotmail.com

Academic Qualifications

PhD (Pharmacy), 2003, School of Pharmacy and Bimolecular Sciences, University of Brighton, UK.

MPhil (Pharmacy), 2000, School of Pharmacy and Bimolecular Sciences, University of Brighton, UK.

Bsc. (Pharmacy) -1985, Al Fatah University, Libya.

Academic professional

Assistance Professor

Faculty of Pharmacy, Al Zaytoonah University, Jordan, 2012 up to now.

Teaching experiences

Tough courses in Industrial Pharmacy I

Tough courses in industrial Pharmacy II

Tough courses in industrial technology

Tough courses in Pharmaceutics III

Tough courses Pharmaceutical marketing

Industrial Pharmacy I Laboratory

Industrial Pharmacy II Laboratory

Pharmaceutics III laboratory.

Academic work experiences

Post doc. Biomedical Research Centre, School of Pharmacy, University of Brighton. UK
2003-2005

National Company for Pharmaceutical Industry and Medical Supply (GMPMSCO)
May-2005 –Sep -2011 Managing Director Libya

Academic staff, (part time) Pharmaceutical department, faculty of Pharmacy, University of Tripoli.(2006).

Research Interests

Research Interests in Pharmaceutical include the development of drug formulation and evaluation of novel drug delivery and technologies, models of drug delivery to the testing of their biocompatibility and pharmaceutical processing

Rheology of gels and drug controlled release.

Local Anesthetics and drug delivery during flexible cystoscopy in men urology applications.

Development of medical devices.

Pain evaluation devices.

In Vitro methods to assess biocompatibility and functional performance of drug delivery.

Drug Formation and technology applications.

Antimicrobial drug control in urology catheters applications.

Development of multi filters techniques to control the toxicity in tobacco smoking.

Patent

Local Anesthetic Medical Device – Brighton University-2002 Registration

Fluid Delivery Device – Pub No: WO/2001/083018 – International PCT/GB2001/002039

Publications:

Taghizadeh, A.K, El Mandini, A, Gard, P.R, Li, C.Y, Thomas, P.J and Denyer S.P (2006) When does it hurt? Pain during flexible cystoscopy in men Urologia Internationalis, 76 (4). pp. 301-303. ISSN 0042-

Awards and Prize

- Prize for Excellence Research Student from International Student Affair - 2002 – Libyan Embassy, London.
- Candidate for Innovation Award (Drug Delivery Device) – 2002 – University of Brighton.

Seminars

- Local anaesthetic application in prior flexible cystoscopy in urology procedures, school of Pharmacy, Research Center, Brighton University.UK
- Applications of drug delivery devices in urology procedures, Middle sex hospital London, UK.

Consultations & Services

- Played major role in improving the relations with WHO and started to negotiate the quality control lab work to with reference from WHO.
- Negotiated with WHO Hub Centers in Africa Continent
- Advisory for a number of Pharmaceutical and medical companies, and director of small pharmacy group company

Training Courses Attended

QC / QA in pharmaceutical industry and principles of GMP with WHO Libya, Cairo.

Activity

The contribution of academic experiences in pharmaceutical manufacturers with Pharmaceutical Society of Jordan

Membership

Member of the Pharmaceutical Technology UK
 Member of the Bio Medicine Pharmaceutical UK
 Member of the Pharmaceutical Society in Libya
 WHO – Hub Centres in Africa Continent.
 Member of the Strategic Plan Committee for Improving the Pharmaceutical Industry & Medical Supply and Services.
 Member of the Committee of the Ministry of Education for Medical Research ETECH.
 Member of the Committee of National Committee to Control Chemical Imports in the country.
 Member of the International Investment Committee.
