

Name: Dr. AbdulKarim Wajih Farah

E-mail	akarimfarah@yahoo.com		
Phone	00962 – 6 – 4291511 Ext.380		
Fax Number	00962 – 6 – 4291432		
Faculty	Faculty of Science and Information Technology		
Department	Mathematics		
Academic Rank	Associate Professor		
Year Rank Obtained	1992		
Specialization	Theory of Probability and math. Statistics		
Research Interest	Mathematical Statistics, Probability, Math. Analysis		
PhD	Kiev Government University	USSR	1986
Experience	29		
Publications and Published books	Markov`s theorem for dependent random functions		
	Stilts integral, measure theory and lebeq integral “in Arabic		
	Theory of Probability		
	Analysis of errors of nonparametric function estimation given smoothness 1984		
	The mean square asymptote of estimate error or a functions of two variables		
	Estimate regression of a victor functions
