

Raed Abendeh, Ph.D

Professor-Assistant of Civil Engineering
Department of Civil Engineering
Al-Zaytoonah University of Jordan
Amman 11733 Jordan
PO Box 130
(962)-6- 4291511
Email: R.abendeh@zuj.edu.jo

ACADEMIC QUALIFICATIONS

Ph.D degree of science in civil engineering with a specialization in structural from Hamburg University of Technology, 2006, Germany.

Master degree of science in civil engineering with specialization in structural from Jordan University of Science and Technology, 2001, Jordan.

Bachelor degree of science in civil engineering with a specialization in structural from Jordan University of Science and Technology, 1998, Jordan

PROFESSIONAL EXPERIENCE

Professor-Assistant in engineering faculty, Al-Zaytoonah University of Jordan, Jordan, (9/2014 – present)

Professor-Assistant, Applied Science University, Jordan, (9/2013 – 8/2014)

Professor-Assistant, Philadelphia University,, Jordan, (9/2012 – 8/2013)

Professor-Assistant, AL Zarqa University, Jordan, (9/2009 – 8/2012)

INTERESTS

- Design and construction of bridges.
- Analysis and design of prestressed structures.
- Finite element method.
- Concrete technology.
- Construction chemicals.

Institutional and Professional Services

- o **Courses Taught**

- Prestressed Concrete
- Reinforced Concrete 2
- Reinforced Concrete 1
- Structural Analysis 1
- Structural Analysis 2
- Strength of Materials

- Statics
- Concrete Technology
