EVENT DESCRIPTION

Event: HANDS Workshop / **Crafts and Architecture**

Date: Monday, 8/3/2021

Organizer: TU

Location: Seminar room in the Higher Institute for Environmental Research / TU

As part of HANDS activities, a face to face Workshop Entitled " Crafts and Architecture " was organized by TU, under the patronage of Prof. Bassam Hassan President of Tishreen University, Prof. Hajar Nasser and Prof Moussa Al Samara opened HANDs workshop of crafts and architecture.

HANDs team in TU prepared the event in cooperation with different faculties (Architecture Faculty, Fine Arts Faculty, Economic Faculty, Mechanical Engineering Faculty) and Craftsmen Association.

First Prof. Moussa Al Samara the national coordinator of HANDs project in Syria opened the event by a welcome speech introducing the crafts in Syria .

President of Tishreen University opened the exhibition that showcase exhibits of student works, representing various sectors of handicrafts, as it included stone and copper paintings and student works that are outputs of Architecture and Fine Arts Faculties and the Design and Production Department of the Faculty of Electrical and Mechanical Engineering Faculty. The exhibition also included hand grafting - Manufacture of straw dishes and silk making.

Al Baath University and Colleagues from Partners Syrian and Jordanian Universities attended the event of TU online through zoom meeting.
