EVENT DESCRIPTION

Event: HANDS Lecture / **Handicraft Design: Technical design and production procedures**

Date: Monday, 10/4/2023

Organizer: Al-Zaytoonah University of Jordan

Location: Faculty of Architecture and Design

Eng. Saad Istatieh one of HANDS stakeholders delivered an insightful and comprehensive lecture on Handicraft Design, focusing on technical design and production. His professional experience in this field provided valuable insights and expertise to the students.

The lecture aimed at introducing students to the design procedures associated with craftwork production while presenting different case studies, covering various aspects of handicraft design.

Overall, such a session would have been immensely beneficial for students looking to gain a deeper understanding of technical design in handicrafts and to explore the creative potential of design concepts in this field.
