EVENT DESCRIPTION

Event: HANDS Dissemination at ABU: Erasmus+ day event in ABU

Date: Tuesday, 10/11/2020

Organizer: AlBaath University ABU

Location: Faculty of architecture / Blue seminar room

Under the patronage of the president of Al Baath University, Al-Baath University held activities for the Information Day and the Open Door Day of the Hands Project within the annual activities of dissemination of Hands Project. Al-Baath University announced the Information Day for the Hands Project, which was accompanied by an Open Door Day, as well as the opening and receipt of a special office for the Hands project in the Faculty of Architecture.

The invitation was addressed to specialists in the Faculty of Architecture, Mechanical Engineering and Textile Engineering, as well as to graduate students.

Prof. Satouf spoke about the traditional Damascene crafts related to Pottery, shelling, embroidery, weaving, mosaic, woodcarving, metal casting and hand knitting and jewellery and ... etc. He offered a number of these forms to attend.

Prof. Moussa Al Samara thanked Al-Baath University for the invitation and hosting, touched on the importance of cooperation with European and Jordanian partners, and stressed that the project will have very important results for Syria and Jordan.

The president of Al Baath University thanked the participants and speakers for their effort in this activity, and highly appreciated the cooperation with Al Zaytoonah University and with all partners in the project.
