

Al-Zaytoonah University of Jordan - Center for Entrepreneurship and Innovation

One of the most important efforts of the Center for Entrepreneurship and Innovation at Al-Zaytoonah University of Jordan is to form a network of practical and scientific relationships of partners and collaborators with the aim of creating an appropriate ecosystem (ECO-SYSTEM) to stimulate creativity, support and assist innovation, and enhance the entrepreneurial orientation in general. Al-Zaytoonah University of Jordan has signed agreements with:

- 1Green Circle Company**
- 2Al-Raja International Company**

Through joint work and activities, fruitful meetings and discussions, exchange of opinions, and discussion of specific topics, the establishment and preparation for more partnerships and cooperation with the following organizations, companies, and institutions were established:

- 1. EntreViable Jordanian Company - His Excellency Dr. Maan Al-Qatamin and Mr. Hassan Abu Al-Shawareb**
- 2. Spark Foundation Netherlands - Mr. Nermin Begovic**
