

CURRICULUM VITAE

Full name: Mohammed El -Sayed Mohammed Hassan

Department/Faculty: Architecture and Design, fashion design department

Al-Zaytoonah University, Amman, Jordan

Phone: 00962790867112

Fax: 130 amman 11733 jordan

E-mail: m.hassan@zuj.edu.jo

m.elsayed_1967@yahoo.com

1. Personal Data

Date of Birth: 18/8/1967

Nationality: Egyptian

2. Education

- Ph.D. (clothing and textile), 1999, Menoufia University, Shebin El-Kom, Egypt.
- M.Sc. (Clothes and Textiles), 1995, Menoufia University, Shebin El-Kom, Egypt.
- B.Sc. (Clothes and Textiles), 1989, Helwan University, Cairo, Egypt.

3. Ph.D. Dissertation

“A study of the factors that affect the efficiency of interlocking patterns and their impact on the economics of operation in ready-made garment factories”, Menoufia University, Shebin El-Kom, Egypt.

4. Employment

Academic Positions

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- Professor of Fashion Design and Implementation, Department of Fashion Design, College of Architecture and Design, Al-Zaytoonah University of Jordan, Amman, Jordan, March, 2021 - "now".
- Professor of "Fashion Design and Implementation", Department of Design, College of Fine Arts, Yarmouk University, Irbid, Jordan, from September 2012 to September 2019.
- Professor of "Fashion Design and Implementation", Department of Home Economics, College of Education, Suez Canal University, Ismailia City, Egypt, from May 2011 to September 2012.

“The Scientific Committee for Applied Arts for the Promotion of Professors and Assistant Professors”

- Associate Professor "Fashion Design and Implementation", Department of Home Economics, College of Education in Ismailia, Suez Canal University, Egypt, from April 2006 to May 2011.

“The Scientific Committee for Applied Arts for the Promotion of Professors and Associate Professors”

- Assistant Professor, Department of Home Economics, Suez Canal University, Egypt, "Date of awarding the position: June 1999"
- Lecturer, Department of Home Economics, Suez Canal University, Egypt on 5/1/1997.
- Assistant Lecturer, Faculty of Specific Education, Mit Ghamr, Mansoura University, 11/12/1995.
- Teaching assistant at the Faculty of Specific Education in Mit Ghamr, Mansoura University 5/9/1990.

Administrative Positions

- Dean, College of Education in Ismailia, Suez Canal University, Egypt, from 10/10/2011 to 24/10/2011.
- Vice Dean for Education and Student Affairs, College of Education in Ismailia, Suez Canal University, Egypt, from 10/24/2011 to 9/8/2012.
- Head of the Department of Home Economics, College of Education, Suez Canal University, Egypt, from 12/18/2006 to 10/24/2011.
- Head of the Department of Home Economics, Faculty of Education in Al-Arish, Al-Arish University, Egypt, from 16/9/2008 to 9/10/2011.
- Academic coordinator of the Department of Home Economics, College of Education in Al-Arish, Al-Arish University, Egypt, from April 2007 to September 2008.

5. Research Interests

Special and interdisciplinary studies in design sciences and its branches in general, and in the science of fashion design and its pillars and aspects in particular. researches concerned with historical and traditional costumes, technical and technological research in the field of fashion design and production. research on documents and variables of baton design and its modern traditional schools and related comparative studies. Researches of shaping on the mannequin and its impact

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

on the resulting elements of fashion control. research of smart fashion and textiles. research on the influence of psychological and social aspects in the field of fashion design. research on the foundations and elements of fashion design and its continuous and renewed impact on fashion. Research dealing with the health aspects of fashion and its components from basic and auxiliary raw materials, printing, dyeing and finishing. research that deals with the aesthetic and decorative enrichment of fashion through handicrafts, embroidery arts and raw materials synthesis.

6. Membership in Scientific Societies and Associations

- Active member of the Arab Society for Educational Technology since 2008.

7. Honors and Awards

- Honors were awarded from the following universities:
 - Suez Canal University.
 - Yarmouk University.

9. Teaching Experience

- During the "current" loan period at the Fashion Design Department - College of Architecture and Design - Al-Zaytoonah University (Jordan):

History of Islamic Art - Aesthetics - Introduction to Fashion Drawing - The Science of Textiles, Raw Materials and Fabrics
Color theory.

- During the loan period at the Faculty of Fine Arts - Yarmouk University (Jordan):

Fashion design "principles and concepts" - specialized fashion design - principles of pattern design and implementation - vanced pattern design and implementation - fashion and textiles "materials and techniques" - sewing and detailing techniques - design foundations - color theory and its applications - human factors engineering "ergonomics" - introduction to aesthetics - Islamic design and architecture - design theory and history - design psychology - design methodologies - design theory and practice - design technology - design illustrations - gr uation project studies - gr uation project.

- Courses taught inside and outside the university for the undergr uate and postgr uate levels in Egyptian universities:
- Faculty of Specific Education in Mit Ghamr - Mansoura University since 1990/1991.

Until 1996/1997 (Bachelor's stage) "before obtaining a teacher's degree"

- Faculty of Specific Education - Zagazig University from 1999/2000 to 2008/2009 .

(Bachelor's stage).

- Faculty of Specific Education in Port Said - Suez Canal University since 1999/2000 .

Until 2006/2007 (bachelor's stage - and postgr uate studies "Master, PhD")

- Teaching for a PhD during the 2009/2010 ac emic year.
- Faculty of Specific Education - Tanta University from 1999/2000 to 2000/2001.

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

(Bachelor's stage).

- Faculty of Specific Education, Benha University, from 2001/2000 to 2007/2006.

(Bachelor's stage).

- Faculty of Agriculture in Ismailia - Suez Canal University from 2001/2002.

2004/2005 (Bachelor's Stage)

- Faculty of Home Economics "for girls" - Al-Azhar University from 2002/2003 to 2011/2012

(Bachelor's and postgraduate studies "Master, PhD").

- Faculty of Specific Education - Mansoura University for the academic year 2007 / 2008 (Graduate studies "Masters").
- College of Technology in Mahalla al-Kubra (Reym e Garments Department) from 2005/2006 to 2006/2007.
- Faculty of Education in Al-Arish (Department of Home Economics, Department of Kindergarten) from 2009/2010 until 2011/2012.

(Courses taught before obtaining a teacher's degree)

- Courses taught at the Faculty of Specific Education in Mit Ghamr, Mansoura University:

(1) Bachelor's degree Home Economics Grade:

- | | |
|--|--------------|
| • Knitting tools and machines | first grade |
| • Models and implementation of children's clothing | second grade |
| • Fabric and care for it | second grade |
| • Dressing Taste | Second Grade |
| • Models and implementation of home clothes | third grade |
| • Models and implementation of outerwear | fourth grade |
| • Graduation Project | Fourth Grade |

(2) Graduate Studies Home Economics Grade:

- Pre-Master's course in the field of specialization in Arabic
(Courses taught within the university after obtaining a teacher's degree)
- Courses taught at the College of Education in Ismailia, College of Education in Al-Arish:

(1) Bachelor's degree, Department of Home Economics:

- | | |
|--|--------------|
| • Techniques of detailing and knitting (1), (2) | first grade |
| • Textiles | First Grade |
| • Patronat (1), (2) | second group |
| • Design and implementation of costumes (1), (2) | second grade |
| • Dressing Taste | Third Grade |
| • Needlework "knitting and crochet" | third grade |
| • Fashion History | Fourth grade |
| • children's clothing | Fourth grade |
| • Models and implementation of outerwear of | fourth grade |

(2) Undergraduate Stage, Kindergarten Department:

- Family Education

second year

(3) Teaching courses in the college outside the scope of specialization (general cultural courses) at the College of Education in Ismailia:

- Human rights: the first grade is all the departments

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- Environment and Health: Second Gr e Literary departments
 - Quality is the first band, all the departments
- Courses taught at the Faculty of Specific Education in Port Said, Suez Canal University:
- (1) Bachelor's degree, Home Economics Gr e:
- Knitting tools and machines, first gr e
 - Models and implementation of children's clothing, second group
 - Fabric and care for it, second gr e
 - Dressing Taste Second Gr e
 - Models and implementation of home clothes, third gr e
 - Project Fourth Gr e
 - Models and implementation of outerwear, fourth gr e.
- (2) Postgr uate stage:
- vanced Textile Chemistry in English (first year - special diploma)
 - vanced Patronat work (1st year - special diploma)
 - vanced Evening Wear (First Gr e- Special Diploma)
 - Feasibility study for re y-m e garment factories (first year special diploma)
 - vanced Textile Structures (First Gr e- Special Diploma)
 - vanced folk clothing design (2nd year - special diploma)
 - The environment and its role in choosing clothes (second year - special diploma)
 - Job clothes in English (second year - special diploma)
 - vanced tissue structures (PhD)
- Courses taught at the Faculty of Agriculture, Suez Canal University:
- (1) Bachelor's degree Home Economics Gr e:
- Textiles, textiles and arts of the third gr e
- (Courses taught outside the university after obtaining a teacher's degree)
- Courses taught at the Faculty of Home Economics for Girls, Al-Azhar University:
- (1) Bachelor's degree, Department of Clothing and Textiles.
- Art and Design First Gr e
 - Knitting machines and principles of the second group
 - 3rd year design and embroidery
 - Machines (2), 3rd Gr e
 - Design and implementation of clothes for the third squ
 - Studies in models, third gr e
 - 4th Gr e Coats
 - Project Fourth Gr e
- (2) Postgr uate studies, department of clothing and textiles.
- The use of modern technologies in clothing (second master + second Ph.D.)
 - Design and implementation of industrial models (first master's + first Ph.D.)
 - Problems in the garment industry (first master's degree)
 - Machinery and equipment for the manufacture and maintenance of clothing (pre-doctoral)
 - Flat and Stereoscopic Modeling Technology (Pre-PhD)
- Courses taught at the Faculty of Specific Education, Zagazig University:
- (1) Bachelor's degree, Home Economics Gr e.

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- Knitting tools and machines, first group
- Models and implementation of children's clothing, second group
- Garment Tasting, Second Gr e
- Models and implementation of home clothes, third gr e
- Models and implementation of outerwear, fourth gr e
- (2) Bachelor's degree teacher section one semester.
 - Tailoring, knitting and clothing, third gr e
 - Courses taught at the Faculty of Specific Education, Tanta University:
 - Bachelor's degree, Home Economics Gr e.
 - Models and implementation of outerwear, fourth gr e
 - Fourth Gr eArtistic Works
- 3 courses taught at the Faculty of Specific Education, Benha University:
- (1) Bachelor's degree, Home Economics Gr e.
 - Models and implementation of children's clothing, second group
 - Models and implementation of home clothes, third gr e
 - Models and implementation of outerwear, fourth gr e
 - Fourth Gr eProject
- Teaching in the educational qualification program
 - Faculty of Education - Zagazig University from 2003 to 2008/2009
 - Level Two, Level Three
 - Faculty of Education - Suez Canal University from 1999/2009 "second and third level"
- Teaching the computer subject "University Requirement", Faculty of Tourism and Hotels, Suez Canal University, academic year 2019/2020.

10. Supervision of Graduate Research

- (1) Master's theses (supervising and discussing):
1. Eman Hassan Abu Al-Enein Al- gham: Entitled (The Effect of Ironing Methods on Knitwear Me of Industrial Elastic Yarns) Registration date 12/11/2002 Faculty of Home Economics "for girls" Al-Azhar University.
"The thesis was discussed and the degree awarded" 06/21/2006
 2. Gh a Abdel-Moati Al-Mursi Abdel-Azim: entitled "A comparative study of some different methods of making the female coat pattern", registration date 12/11/2002 , Faculty of Home Economics "for girls" - Al-Azhar University.
"The thesis was discussed and the degree awarded" 2/9/2008
 - Heba Abdel-Latif Muhamm Lashin: entitled (The Impact of Some Simple Fabric Designs on the Economic and Technical Side of the Re y-M e Garment Industry) Registration date 2/6/2004 Faculty of Home Economics "for girls" - Al-Azhar University. "The thesis was discussed and the degree awarded" 2010
 3. Ahlam Abdel-Maboud Muhamm Ismail: entitled (Studying Abaya Designs in Some Arab Countries and Benefiting from Them in Devising Innovative Lines with Various Decorative Techniques) Faculty of Home Economics "For Girls" Al-Azhar University. Date of registration 7/5/2003 . "The thesis was discussed and the degree awarded in 2008"

QFG11/0110 - 3.1E	Curriculum Vitae Form - Procedures of Appointment and Promotion Committee
-------------------	---

4. Sherine Hassan Mahmoud Sa Hegazy: entitled "The Possibility of Developing Multi-Purpose Women's Outerwear to Serve the Aesthetic and Economical aspect", Faculty of Specific Education - Mansoura University.

"The thesis was discussed and the degree awarded" 10/11/2008

5. Wafaa El-Sayed Ali Ruqayya: entitled (Statistical rules for the efficiency of interlocking military clothing patterns) Registration date 12/5/2008 Faculty of Specific Education - Mansoura University.

"The thesis was discussed and the degree awarded" October 25, 2009

6. Nashwa Muhamm Al-Sayyid Abdo: Entitled "The Effect of Different Finishing Processing Methods on the Aesthetic and Functional Properties of Jeans Clothing Date of Registration 20/8/2007 Faculty of Home Economics - Menoufia University.

"The thesis was discussed and the scientific degree awarded" 27/7/2009

7. Umm Muhamm Jaber Al-Sayed Muhamm : entitled "The possibility of making designs that are compatible with the clothing behavior of women after the age of forty." Registration date: 14/11/2007 , Faculty of Home Economics - Menoufia University.

"The thesis was discussed and the degree awarded" 2009

8. Hajar Helmy Mohamed Said: Entitled "A Study in the Design of Evening Wear in the Framework of Innovation Factors Registration Date 6/18/2008 Faculty of Specific Education in Port Said - Suez Canal University.

"The thesis was discussed and the degree awarded" 10/27/2010

9. Shaima Mahmoud Abdel Ghani Mohamed Halabiya: entitled "The Effectiveness of Using the Computer in Learning Hand Embroidery for Beginners" Date of registration 06/18/2008 Faculty of Specific Education in Port Said - Suez Canal University.

"The thesis was discussed and the degree awarded" 8/9/2009

10. Zainab Abd al-Salam Ahm Abdallah, thesis title: "A study of comparing the gr ing methods used in re y-m e garment factories" Registration date 12/18/2006 Faculty of Home Economics - Menoufia University.

"The thesis was discussed and the degree awarded" 05/26/2008

11. Hala Othman Shata Al-Alami: entitled "Determining the optimum standards for the quality of sewing some clothes of different materials" Registration date August 21, 2008 - Faculty of Specific Education in Damietta, Mansoura University.

"The thesis was discussed and the degree awarded" March 2010.

12. Naha Youssef Abdel Azim Mohamed Al-Ra'i: entitled "Evaluating the women's jacket model in a profily way to prepare a new model that fits the Egyptian body" Registration date 8/2/2009, Faculty of Home Economics - Menoufia University.

"The thesis was discussed and the degree awarded" 06/28/2010 .

13- Safaa Muhamm Al-Sahi Ghanem: Entitled (The Effectiveness of a Computer Program for the Development of Achievement and Basic Skills in the Patron Subject for Female Students of Industrial Education) Registration date 11/8/2008 , College of Education in Ismailia - Suez Canal University. "The thesis was discussed and the degree awarded" 12/20/2010

14. Amira Jamal Muhamm Hijab: Entitled "Benefiting from electronic software to control the relationship between the design and the executing pattern for women's clothing," Faculty of Specific Education - Tanta University.

Registration date 7/18/2009 "The thesis was discussed and the scientific degree awarded" 05/28/2011

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

15. Rania Hamed Atta Al-Mahrouqi: Entitled "An analytical technical study of some functional problems of the r iology technician's clothing", Faculty of Home Economics - Menoufia University. Registration date March 2008

The thesis was discussed and the degree awarded "7/26/2011 "

16. Amira Jamal Muhamm Hijab: Entitled: "Utilizing Electronic Software to Control the Relationship Between Design and Pattern for Some L ies' Clothes" Faculty of Specific Education - Tanta University.

Registration date 7/18/2009

17. Marwa Abdel-Monsef Mohamed El-Shahat: entitled "A training program to develop the performance of gr uates to work on small projects in the field of re y-m e industry", Faculty of Home Economics - Menoufia University.

Registration date 9/7/2007

18. Eman Hassan Abdel-H i Alyan: entitled "A comparative study between the methods of training workers in some re y-m e garment factories to raise the level of workers and maintain product quality" Faculty of Home Economics - Menoufia University.

Registration date: 8/11/2009

19. Jannat Ibrahim Muhamm Attia: "The Effectiveness of an Educational Program in Staging Children's Clothing Models in Developing the Skilled and Cognitive Aspects for Students of the Faculty of Education, Department of Home Economics, Faculty of Home Economics - Menoufia University." Registration date 9/14/2010

20. Rasha Mohamed Saber Shata: "Studying the Possibility of Devising New Products from Used Clothes," Faculty of Specific Education - Port Said University. Registration date 6/6/2010

21. Nancy Mohamed Sami Metwally Tawoos: entitled "Suggested designs for women's clothes with special needs", Faculty of Specific Education - Port Said University -

Registration date 6/6/2010 (under supervision).

22- Mai Saeed Abdel Khaleq Muhamm : entitled "Engineering flexibility of children's clothing patterns and its impact on the technical, aesthetic and economic levels" Faculty of Specific Education - Tanta University 0 Registration date 16/1/2010

23- Marwa Fawzi Muhamm Al-Harouni: entitled "The Effect of the Relationship Between Some Natural and Mechanical Properties of Fabrics and the ditive Impregnation Rates of Patrons on the Quality of the Final Product" Faculty of Specific Education - Tanta University.

Registration date 7/21/2010 (discussed on 9/15/2011)

24. Ahmed Fahim Mohamed Ahmed Taha: entitled "Developing the performance of engineering management to improve the productivity of workers in re y-m e garment factories" Faculty of Applied Arts - Helwan University Registration date 9/11/2010

(3) PhD theses (supervising and discussing):

1- Enas Hamdi Abdel-Maqsoud Rizk: Entitled (A comparative study of some different styles of sleeve models for women's clothing) Date of registration 7/5/2003 Faculty of Home Economics "for girls" - Al-Azhar University.

"The thesis was discussed and the degree awarded 15/4/2006 "

2- Maymana Muhammad Al-Abasiri Hashem: entitled (The effect of merging models of women's and children's clothing in the interlocking stage on the economic aspect in the ready-made garment industry) Registration date 12/21/2006 AD Faculty of Specific

Education, Tanta University. "The thesis was discussed and the degree awarded"
23/2/2009

3- Naha Abdel-Haq Mahmoud Rabie: (A multimedia computer program for preparing and implementing the women's abaya pattern to serve small and medium enterprises)
Registration date 22/6/2006 AD - Faculty of Specific Education

Port Said University. The thesis was discussed and the scientific degree awarded on
9/5/2009.

4- Samah Mansi Hassan: Entitled (The Effectiveness of Multimedia Computer Programs in Developing Innovative Thinking Skills for Fashion Design for Female Students of the Home Economics Department, Faculty of Education) Registration date 9/13/2007 AD, Faculty of Specific Education - Port Said University. The thesis was discussed and the degree awarded 24/1/2010

5- Zainab Hamed Muhammad Al-Husseini Sarhan: entitled (Suggested educational program for discharges of chestnut and water using computer technology) Registration date 22/6/2006 AD - College of Education in Ismailia - Suez Canal University. "The thesis was discussed and the degree awarded on 17/4/2010 AD"

(4) PhD theses (under supervision):

6- Randa Mounir Mohamed Mahmoud: entitled (Programming the economic feasibility of producing the classic women's jacket), Faculty of Specific Education, Mansoura University. Registration date 2009 AD (discussed - March 2012)

7- Sherine Hassan Mahmoud Saad Hegazy: entitled (Studying the relationship between the proportions of elasticity in some mixed knitted fabrics and the dimensions of the pattern) Faculty of Specific Education - Mansoura University.
Registration date 2009 AD (discussed - July 2012)

8- Umm Muhammad Jaber Al-Sayed Muhammad: Enriching the aesthetic and functional values of women's leather clothing by implementing it with manual techniques and presenting the technique of its implementation on the international information network, Faculty of Home Economics - Menoufia University. Registration date 11/21/2010 AD (under supervision).

(5) Participation in the judging and discussion committees for scientific theses
(discussed from abroad):

□ Master's theses:

1. Nihal Afifi Muhammad Shafiq: entitled (Smart clothing between modern technology and design requirements) Faculty of Applied Arts - Helwan University "The thesis was discussed on 4/14/2008 "

2. Eman Mahmoud Abdo Ajrama: "The Impact of Modern Knitting Machines Technology on Increasing Production in the Ready-made Garments Industry," Faculty of Home Economics - Menoufia University. The thesis was discussed on August 25, 2008.

3. Mai Samir Mohamed Kamal, entitled "The effect of ergonomics on the productivity and quality of ready-made garments", Faculty of Applied Arts - Helwan University. The research was discussed on 11/9/2008 AD

4. Amal Sami Abdel Majid Al-Sayed Hadiya Thesis title (Evaluation of the basic model of men's trousers in a chatting manner for educational use) Faculty of Home Economics for Girls - Al-Azhar University

The research was discussed on 4/15/2009.

5. Manar Muhammad Rashad Maarouf: entitled "The Possibility of Benefiting from the Thermal Properties of Industrial Fabrics in Enriching the Aesthetic and Technical Values in the Field of Clothing Supplements" Faculty of Home Economics - Menoufia University.

The research was discussed in April 2009.

6. Rania Ali Mohamed Abdel-Aty: entitled "The Possibility of Overcoming the Problems of Manufacturing Jeans to Advance the Jeans Garment Industry in the A.R.E." Faculty of Specific Education - Port Said University.

The research was discussed in April 2009.

7. Heba Fawzi Nabih Hefny: entitled "The relationship between the type of product and the material used in crochet products and their use in small industries", Faculty of Home Economics - Menoufia University.

The research was discussed in July 2009.

8. Heba Fawzi Nabih Hanafi: entitled "The relationship between the type of product and the material used in crochet products and their use in small industries", Faculty of Specific Education, Menoufia University.

The research was discussed in August 2009.

9. Reham Bassiouni Muhammad Bassiouni: Entitled "Benefiting from Modern Scientific Methods in Calculating the Cost of the Garment Product and Measurement of Production Time to Advance the Readymade Garments Industry in the A.M.A." Faculty of Home Economics - Menoufia University. "

10. Manar Rashad Muhammad Marouf Muhammad: entitled (The possibility of benefiting from the thermal properties of industrial fabrics in enriching the aesthetic and artistic values in the field of clothing supplements) Faculty of Home Economics - Menoufia University 0 "Thesis was discussed on 08/24/2009 "

11. Rania Hamdan Ali Imam: Entitled "The Effect of Different Structures of Cotton and Mixed Fabrics Treated for Anti-Wrinkle on the Functional Properties of Summer Clothes" Faculty of Specific Education - Tanta University.

The research was discussed in March 2010.

12. Noha Abdel Halim Abdullah Helal: entitled "Suggested designs for clothes for children with special needs to contribute to adapting to disability" Faculty of Home Economics - Menoufia University.

The research was discussed in May 2010.

13- Rana Abbas Nafie: entitled "Analysis and Cataloging of National Costumes in the Arab World Using Websites to Benefit from Them in Enriching Fashion Design" Faculty of Specific Education - Tanta University.

The research was discussed in August 2010.

14. Sherine Ahmed El-Sayed: entitled "Benefiting from the technological capabilities of machines and equipment to raise the efficiency of functional performance and the aesthetic value of school clothes", Faculty of Home Economics - Menoufia University.

The research was discussed in December 2010.

PhD theses:

1. Hazem Abdel Moneim Yassin Mohamed Qatari: (Establishing standards for the susceptibility of knitted fabrics to knitting using different building structures) Faculty of Applied Arts - Helwan University. The research was discussed on 11/13/2008

2. Ghada Ismail Mohamed El-Gamal: entitled (Building a training program to develop the skills of individuals in ready-made garment factories), Faculty of Applied Arts, Helwan University. The research was discussed on 7/16/2009
3. Engy Sabry Abdel Qawi Abdel Salam: Entitled (The Effectiveness of a Suggested Program Using the Computer to Execute Some Lacy Designs on Outerwear) Faculty of Specific Education - Menoufia University.
The research was discussed in September 2009
4. Hossam El-Din Mohamed Ahmed Gad: Entitled "Computer Embroidery Technology and its Relationship to the Foundations of Design and Manufacturing and the Extent of Their Impact on the Quality and Aesthetic Value of the Garment Product" Faculty of Home Economics - Menoufia University. The research was discussed in November 2010.
5. Weam Muhammad Muhammad Hamza: entitled "The Possibility of Achieving the Best Functional and Aesthetic Properties of Some Textile Structures Used in the Design of Some Bedding Requirements and Clothing with Various Environmental Materials" Faculty of Specific Education - Tanta University. The research was discussed in July 2010.
6. Nancy Abdel-Maaboud El-Sawy: Entitled "The Effect of Some Applied Methods of Felt Fabrics on the Functional Performance and Comfort Properties of Outdoor Ready-to-wear" Faculty of Specific Education - Tanta University.
The research was discussed in April 2011.

- Discussing scientific theses during the loan period at the Faculty of Fine Arts - Yarmouk University (Jordan):

- 1) Fadwa Awad Hassan Al-Sukhni: Entitled "Activating the Role of Artistic Valuers in Designing the Packaging of Jordan's Therapeutic Cosmetic Products" College of Fine Arts - Yarmouk University "The thesis was discussed in January 2015.
- 2) Abd al-Rahman al-Labbaneh: "Attitudes of students of plastic arts at Yarmouk University towards the use of computers in their study plan" College of Fine Arts - Yarmouk University "The thesis was discussed in July 2015.
- 3) Rafal Muhammad Al-Kawaz: Employing the animation program (Movie Maker) in art education lessons (third grade) "College of Fine Arts - Yarmouk University" The thesis was discussed in December 2015.
- 4) Nadia Zaher Hussain Al-Najjar: "The impact of contemporary visual culture on the content and formal characteristics of children's drawings in late childhood." The thesis was discussed in August 2016.
- 5) Awwad Ma'ashi Awad Al-Rumaili: "The Reality of Digital Plastic Art in the Kingdom of Saudi Arabia."
The letter was discussed in December 2016.
- 6) Nawaf Ahmed Saleh Al-Fawares: "The Impact of Wars and Armed Conflicts on Contemporary Arab Painting"
The letter was discussed in August 2017.

11. Membership of Committees

- ☐ Undergraduate:
- ☐ Participation in the work of the various committees:

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- ☐ Participation in the tripartite committees for arbitration and examination of scientific theses:
 - ☐ Awatef Bahij Mohamed Ibrahim: entitled (The Possibility of Integrating Computerized Textile and Fashion Design Programs to Improve the Performance Level of Design Units for Some Ready-made Garments in Egypt) PhD Thesis _ Department of Home Economics - Zagazig University 0 "Granting Authority, Faculty of Home Economics, Menoufia University"
 - ☐ Rehab Mohamed Ali: entitled (Achieving the best physical properties of linen and blended clothing fabrics equipped with environmentally friendly materials) PhD thesis _ Department of Home Economics - Zagazig University.
Grant body, Faculty of Specific Education, Tanta University
 - ☐ Amal Saber Saeed Qutb: Entitled (The Effect of Different Structural and Processing Structures of Mixed Clothing Fabrics on the Characteristic of Fire Resistance) PhD Thesis _ Department of Home Economics - Zagazig University.
Grant body, Faculty of Specific Education, Tanta University
 - ☐ Participation in committees for a doctorate qualification exam (qualifying): in the Department of Clothing and Textiles - Faculty of Home Economics, Al-Azhar University 3/14/2009.
 - ☐ Participation in the technical committees for the purchase of devices, equipment and study materials for the department.
 - ☐ Participation in the General Practice Committee for the purchase of furniture and uniforms for workers at the University Hospital, Suez Canal University No. (6) "technical member".
 - ☐ Participation in committees for preparing study schedules in the department and college.
 - ☐ Member of the Tables Committee for the 2006/2007 academic year at the college.
 - ☐ Participation in the committees emanating from the College Council "Student Affairs, Environmental Affairs, Postgraduate Studies, Cultural Relations, Laboratories and Laboratories" from 1999 / 10 / 2020
 - ☐ Member of the College Council for the academic year from 2006/2007 AD until 2011/2012
 - ☐ Participation in the procurement committees for furnishing laboratories, devices and equipment in the Department of Home Economics, Faculty of Education, Ismailia, University of Ismailia.
 - ☐ Participation in the procurement committees for furnishing laboratories, devices and equipment in the Department of Home Economics, Faculty of Specific Education, Zagazig University.
 - ☐ Participation in committees for the purchase of equipment and devices for laboratories and workshops within the framework of the project to establish a ready-made garment division at the Technical Industrial Institute in Mahalla al-Kubra, funded by the World Bank.
- Participation in the establishment and establishment of the new building for the laboratories of the Department of Home Economics, Faculty of Education in Ismailia - Suez Canal University with its buildings and teaching halls, and chairing the committees that equipped the halls and laboratories with furniture, equipment and machines.

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- ☐ Participation in the establishment and establishment of the Department of Home Economics at the Faculty of Education in Arish - Suez Canal University in its buildings and teaching halls, and supervising the equipping of halls and laboratories with furniture, equipment and machines.
- ☐ Membership of the committee formed by the President of the University to establish and establish the Faculty of Economics and Applied Sciences in Al-Arish, and it was opened under the name of the Faculty of Home Economics in Al-Arish in the academic year 2013/2014
- ☐ Participation in establishing and equipping a fashion studio and atelier - Design Department - Faculty of Fine Arts - Yarmouk University - Hashemite Kingdom of Jordan.

12. Scientific and Professional Meetings:

Participation in scientific meetings:

- Participation in joint workshops at the department and faculty at Suez Canal University and Yarmouk University.
- Attending the annual seminar of the "Assyst" company, which took place on February 12 and 11, 1999 AD, to learn about the latest computer applications in the areas of:
 - DESIGN SYSTEM - PATTERN CONSTRUCTION
 - PATTERN GRADING - MARKER MAKING
 - EERINGENGIN DATA MANAGEMENT
- Participation in the discussion panel on "The Role of NGOs in Contributing to Solving Community Problems." Which was held at the State Information Service - Nile Center for Media Zagazig from 11/13 November 2002
- Participation in discussions and workshops within the activities of the annual conference of the National Council for Women under the title (Women's Economic Empowerment as a Path to Poverty Reduction), which was held in Ismailia on 3/28/2006
- Giving a general lecture at the General Administration of University Cities - Suez Canal University entitled (Youth Clothes) in January 2007.
- Attending the national symposium that was held at the National Council for Women in Ismailia (Towards a Rational Consumer Pattern to Facing High Costs) and giving a lecture entitled: "Rationalizing Consumption in the Field of Clothing" 28/8/2008
- Giving a lecture on (technical education and its role in development) at the Ismailia Media Center of the State Information Service in Ismailia 10/21/2008
- Giving a lecture on (Establishing a Small Project, the Beginning of Excellence) at the Ismailia Media Center of the State Information Service in Ismailia, entitled "10/21/2008".
- The national symposium that was held at the National Council for Women in Ismailia in cooperation with the Euro-Mediterranean Forum for Health and the Environment, which discussed (the impact of mobile networks on health and the environment) 11/2/2008 "attend and participate in the discussions".
- The expanded symposium held by the National Council for Women in Ismailia, headed by the Governor, which discussed (rationalization of consumption) 28/8/2008 with a "working paper and participation in the discussions".

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

- Participation in discussions and workshops within the activities of the annual conference of the National Council for Women under the title (Women in Leadership Positions), which was held in Ismailia on March 16, 2008.
- Participation in the workshop held by the Ministry of Education (Project for Improving Education in Early Childhood) at the Air Defense House on 12/2/2009 with the aim of developing frameworks and mechanisms for cooperation between the College of Education in Ismailia and the Ministry regarding the implementation of training programs.
- Participating in discussions and giving a lecture and a working paper within the activities of a symposium on (Human Trafficking) at the National Council for Women in Ismailia on 4/28/2009.
- Giving a lecture on (home industries and increasing income) within the discussion panel organized by the Nile Media Center - Ismailia Governorate, entitled "Cottage Industries and Supporting Family Economics" from 10-12/2/2010.
- Giving a lecture on (the optimal use of fabric residues) within the discussion panel organized by the Nile Media Center - Ismailia Governorate, entitled "Productive Families Increase Family Income" from 26-38/4/2010.
- Participation in discussions and workshops within the activities of the annual conference of the National Council for Women under the title (Achievements of the National Council for Women in the past ten years), which was held in Ismailia on March 10, 2010.
- Participation in a working paper under the title (The History of Ottoman Fashion) in the conference held at the Faculty of Arts - Suez Canal University "Common manifestations of civilization...Turkey and the Arabs" March 15, 2010.
- Participation in the symposium and workshop held at the General Administration for Student Welfare - Suez Canal University under the title (Crisis and Disaster Management) 5/1/2010.
- Participation in a working paper entitled (Indonesian Fashion between History and Modernity) in the conference held at the Faculty of Arts - Suez Canal University, "Civilizational Aspects between Indonesia and Egypt" May 6, 2010.
- Participation in the workshop held by the Ministry of Education within the activities of the project
- (Improving early childhood education) in order to develop frameworks and mechanisms for cooperation between the college and the ministry regarding the implementation of training programs February 12, 2009.
- Participation in the workshop entitled (How to write the strategic plan) on 3/16/2010
- Participation in the workshop held by the college entitled (How to write the strategic plan) on 3/16/2010
- Holding a training workshop at Basmala Company for Training and Administrative Development, the Hashemite Kingdom of Jordan, on Saturday, February 23, 2012 at its headquarters in Irbid, under the title "Fashion Design and Drawing on the Pattern" for students of the Design Department "Fashion Specialization" and in partnership with students of colleges and corresponding academic institutions in terms of Specialization and some factory owners and those interested.
- Holding a training workshop at the Department of Design - College of Fine Arts, with the participation of Yarmouk University and the Change Makers Initiative represented

by the Creative Thinking Center for Development and Development in the Hashemite Kingdom of Jordan. The workshop was under the title "Aesthetic and Technical Linear Connotations in the Design of Women's Abaya." The Scientific Day of the Design Department, under the patronage of the President of the University, the Dean of the College and the Head of the Department, on Thursday, April 11, 2019 for students of the Design Department "Fashion Major" and in partnership with students of faculties and corresponding academic institutions in terms of specialization, some factory owners, fashion designers and those interested.

- Representing Suez Canal University, participating in the workshop held at the headquarters of the Egyptian National Committee for Education, Science and Culture "UNESCO-ALECSO ISESCO" at the Supreme Council of Universities in cooperation with the Islamic Educational, Scientific and Cultural Organization under the title: Improving the quality of programs and training in faculties of education and activating their role in consolidating the values of citizenship, coexistence and dialogue.

13. Participation in curricular activities:

- Participation in the development of the bylaw of the Department of Home Economics - Faculty of Specific Education - Zagazig University.
- Participation in the development of the regulation of the Department of Home Economics - College of Education in Ismailia - Suez Canal University.
- Participation in the development of the regulations for the Department of Home Economics - Faculty of Education in Arish - Suez Canal University.
- Participation in the project to develop the Department of Home Economics at the Faculty of Education in Arish and transform it into a college
- Participation in the development of the clothing and textile program for the undergraduate and postgraduate levels at the Faculty of Home Economics for Girls - Al-Azhar University.
- Participation in the project of developing the Department of Home Economics at the Faculty of Education in Al-Arish and converting it into a college and participating in setting the list of the college.
- Participation in the development of the regulations of the Technical Institute of Fashion (Chamber Sandikal) in cooperation with the Parisian Fashion Syndicate.
- Member of the Subcommittee on Standard Academic Standards for Graduates of Faculties of Education in the Arab Republic of Egypt
- "Qualitative majors" (where standard standards for graduates majoring in Home Economics were prepared)
- Member of the Board of Directors of the Quality Assurance and Accreditation Unit at the College on 17/8/2009.
- External reviewer for the Home Economics Program - Faculty of Specific Education, Zagazig University, 2009.
- Developing course descriptions and reports for the specialization of clothing and textiles in the Department of Home Economics at the Faculty, Department of Home Economics at the Faculty of Education in Arish within the project to ensure the quality of education and accreditation as follows:
 - Decision of the Patrons (1)
 - Determining the patterns (2)

Fashion history course

Fashion design and implementation course (1)

- Develop course descriptions and reports for courses (clothing and textile program) for the undergraduate and postgraduate levels, which he teaches at the Faculty of Home Economics "for girls", Al-Azhar University.

- Representative of the Department of Design and Applied Quality Arts - College of Fine Arts - Yarmouk University for the academic years 2013/2014 AD until 2014/2015

14. Scientific Publishing

☐ Refereed Journals:

Scientific production:

Research papers submitted for scientific examination at the stage of promotion to the rank of assistant professor.

- First search:

Research title "The effect of stitch length and needle diameter on the tensile strength of knitting blended plain fabrics, cotton/polyester"

Publisher The Sixth Arab Conference on Home Economics - Menoufia University College of Home Economics

Publication date Research published in the conference volume (2-4) September 2001

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- Second research:

Research title "Development of contemporary decorative units and their application to enrich the aesthetics of children's clothing"

Publisher: Research published in the Journal of Home Economics - College of Home Economics

Publication date Volume thirteen (3-4) July-October 2003 AD

Research participants a. M. Dr. Rushdi Ali Eid - Assistant Professor and Head of the Department of Clothing and Textiles, Faculty of Home Economics, Menoufia University, Eng. Safinaz Samir Mohamed

Teaching assistant, Department of Home Economics, Faculty of Specific Education, Zagazig University

- Third research:

Research title "Studying the relationship between clothing behavior and the social aspect"

Publisher: Journal of Home Economics - College of Home Economics

Publication date Research published in volume thirteen (3-4) July-October 2003 AD

Research participants a. M. Dr. Rushdi Ali Eid - Assistant Professor and Head of the Department of Clothing and Textiles Faculty of Home Economics, Menoufia University

- Fourth research:

The title of the research is "The cultural level of mothers and its impact on the children's clothing behavior."

Publisher of the Journal of Home Economics - Menoufia University

Publication date Research published in the fourteenth volume (1-4) 2004 AD

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

Research participants a. M. Dr. Rushdi Ali Eid - Assistant Professor and Head of the Department of Clothing and Textiles - Faculty of Home Economics, Menoufia University

- Fifth research:

Research title "Accurate census of raw materials and their impact on the work system in ready-made garment factories"

Publisher: The Second International Conference of the Textile Industries Research Division

National Research Center - Cairo

Publication date CD "Conference" publication (11-13) April 2005

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- Sixth research:

Search title "The dynamics of the washing process and its impact on the stiffness coefficient of cotton knitted fabrics"

Publisher: Research published in the Journal of the College of Education in Ismailia - Suez Canal University

Publication date Research published in the fifth issue - April 2006 AD

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- Research presented as a scientific and academic activity in the stage of promotion to the rank of assistant professor.

- Seventh Research:

Research title: "A study of university students' perception of the foundations of choosing their clothes"

Publisher The Fifth Egyptian Conference on Home Economics - Faculty of Home Economics

al-manoufia University

Publication date Research paper published in the conference folder (16-17) July 2000 A.D

The research participants are Dr. Rushdi Ali Eid, teacher of clothing and textiles Faculty of Home Economics, Menoufia University

☐ Research submitted for the scientific examination for promotion to the rank of professor.

- Eighth research:

Research title "A comparative study of the elements of controlling models of women's clothing sleeves"

Publisher The Eighth Scientific Conference of the Faculty of Specific Education in Damietta - Mansoura University

Publication date Research published in the conference volume (30 April-1 May) 2007

the participants

In the research, Dr. Majda Mamoun Khalifa, assistant professor of clothing and textiles

Faculty of Home Economics - Helwan University

Dr. Enas Hamdi Abdel-Maqsoud, teacher of clothing and textiles

Faculty of Home Economics for Girls - Al-Azhar University

- The ninth research:

The research "Deduction of statistical equations to calculate the interlocking efficiency and the consumption area of men's trousers"

Publisher The Annual Scientific Conference (Fourth Arab, First International) of the Faculty of Specific Education in Mansoura - Mansoura University

Publication date Research published in the conference volume (8-9 April) 2009

Participants in the research Dr. Abeer Ibrahim El-Desouky Mohamed Shalaby, teacher of clothing and textiles

Faculty of Specific Education - Mansoura University

- Tenth research:

Search title "Basic Alpatron calendar for women's jacket for use in the industrial and educational fields.

Publisher: Research Journal of the Faculty of Education in Ismailia, Suez Canal University

Publication date Accepted research Published on 10/26/2009 Published in the issue January 16, 2010

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- Eleventh research:

Research title "Study of the effect of applying suggested quality models on product development in ready-made garment factories"

Publisher, Scientific Journal of Science and Arts, Helwan University

Publication date Accepted Publishing on 04/22/2010 AD, published in the twenty-second volume

The third issue - July 2010

Participants in the research Dr. Mohamed Ahmed El-Meligy Mustafa - a teacher of clothing and textiles

Department of Home Economics - Faculty of Specific Education - Tanta University

- Twelfth Research:

The title of the research is "Control of consumption and waste of fabrics in the block system for interlocking patterns"

Publisher Published and delivered at the Seventh International Conference of the Textile Industries Research Division at the National Research Center

Publication date Research published in the conference (CD) from 10-12/10/2010AD

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- Thirteenth Research:

Research title "The Possibility of Reducing the Wastage of Implementing Jeans from Fabrics Using Technological Applications to Interlock Patterns"

Publisher Published and delivered at the Seventh International Conference of the Textile Industries Research Division at the National Research Center

Publication date Research published in the conference (CD) from 10-12/10/2010AD

Prepared by Dr. Mohamed El-Sayed Mohamed Hassan (single research)

- The fourteenth research:

Research title "A comparative study to reach the best systems for interlocking patterns technically and economically"

Publisher The Second International Conference on Applied Arts in Damietta from November 24-26, 2010 AD - Faculty of Applied Arts - Mansoura University

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

Publication date Research published in the conference (CD) from 10-12/10/2010AD
Participants in the research Dr. Abeer Ibrahim El-Desouky Mohamed Shalaby -
teacher of clothing and textiles, Faculty of Specific Education, Mansoura University

- Fifteenth:

Research title "Guiding specification for raising the efficiency and quality of the
product in military clothing factories"

Publisher The Second International Conference on Applied Arts in Damietta from
November 24-26, 2010 AD - Faculty of Applied Arts - Mansoura University

Publication date Research published in the conference (CD) from 10-12/10/2010AD
Participants in the research Dr. Mohamed Ahmed El-Meligy Mustafa - a teacher of
clothing and textiles

Department of Home Economics - Faculty of Specific Education - Tanta University

- Sixteenth research:

Research title "The Effectiveness of an Educational Program in the Design and
Implementation of Water Patrons Using Computer Technology"

Publisher of the Journal of Home Economics - Menoufia University

Publication date Research published in the twentieth volume (January) 2011 AD

Participants in the research Prof. Dr. Iman Jamal Mohamed Ghazi - Assistant
Professor of Clothing and Textiles

Department of Home Economics - Faculty of Specific Education in Port Said - Port
Said University

Dr. Zainab Hamed Sarhan - Teacher of Clothes and Textiles - Department of Home
Economics, College of Education in Ismailia - Suez Canal University

- Seventeenth Research:

Research title "The effectiveness of using clarification strategies in developing the
skills of designing and implementing models (patrons) for students with hearing
disabilities"

Scientific Journal of Sciences and Arts - Helwan University

Publication date Accepted for publication on 20/6/2010 AD in the January 2011
issue

Participants in the research Dr. Ghada Mustafa Al-Zaki - teacher of clothing and
textiles - Faculty of Home Economics for Girls - Al-Azhar University

☐ Research presented as a scientific and academic activity for promotion to the rank
of Professor:

- The eighteenth research:

(derived from a master's thesis) M.M / Wissam Osama Abdel Raouf

Research title "The effect of repeated washing and detergents process on the
physical and mechanical properties of woolen and blended clothing fabrics"

Publisher: Zagazig Journal of Agricultural Research, Faculty of Agriculture,
Zagazig University

Publication date Volume Thirty-fifth - Part Four (July 2008 A.D.)

Research participants Prof. Dr. Madiha Abdel-Gawad El-Shewi - Assistant

Professor at the Faculty of Agriculture - Zagazig University

Dr. Manal Mohamed El-Sayed - Instructor at the Faculty of Agriculture - Zagazig
University

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

Lect. Wissam Osama Abdel Raouf - Assistant Professor of Clothing and Textiles - Faculty of Agriculture, Zagazig University

- The nineteenth research:

(derived from a PhD thesis) Dr. Zainab Hamed Sarhan

The title of the research "The effectiveness of computer use in self-learning of Patrons

And ways to implement penny discharges"

Publisher The 14th Arab Conference on Home Economics - College of Home Economics

al-manoufia University

Publication date Published on 5/9/2010 AD in the conference volume from November 2-3, 2010 AD

Research participants Prof. Dr. Ahmed Ali Salman, Professor and former Head of Spinning, Weaving and Knitting Department

Faculty of Applied Arts - Helwan University

Prof. Eman Gamal Mohamed Ghazi - Assistant Professor of Clothing and Textiles - Department of Home Economics - Faculty of Specific Education in Port Said - Port Said University

Dr. Zainab Hamed Sarhan _Teacher of Clothes and Textiles_ Department of Home Economics, College of Education in Ismailia, Suez Canal University.

- The twentieth research:

(derived from a PhD thesis) Dr. Noha Abdel Haq Mahmoud Rabie

Research title "Multimedia computer program for preparing the women's abaya pattern by Aldrich method"

Publisher The annual scientific conference (the fourth Arab, the first international) at the Faculty of Specific Education in Mansoura - Mansoura University

Publication date conference volume (8-9 April) 2009 AD

The participants in the research Prof. Dr. Ahmed Ali Salman - Professor and former Head of the Department of Spinning, Weaving and Knitting

Faculty of Applied Arts - Helwan University

Dr. Najwa Farouk Kasbah - Teacher of Clothes and Textiles - Department of Home Economics

Faculty of Specific Education in Port Said - Suez Canal University

Dr. Noha Abdel Haq Mahmoud Rabie - Teacher of Clothes and Textiles -

Department of Home Economics, College of Education in Ismailia - Suez Canal University

- The twenty-first research:

(derived from a PhD thesis) Dr. Noha Abdel Haq Mahmoud Rabie

Research title "Programming the method of implementing the women's gown to serve medium and small projects"

Publisher: Journal of Specific Education Research, Faculty of Specific Education in Mansoura, Mansoura University

Publication date of the fourteenth issue - May 2009 AD

The participants in the research Prof. Dr. Ahmed Ali Salman - Professor and former Head of the Department of Spinning, Weaving and Knitting

Faculty of Applied Arts - Helwan University

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

Dr. Najwa Farouk Kasbah - Teacher of Clothes and Textiles - Department of Home Economics

Faculty of Specific Education in Port Said - Suez Canal University

Dr. Noha Abdel Haq Mahmoud Rabie - teacher of clothing and textiles

Department of Home Economics - College of Education in Ismailia - Suez Canal University

- The twenty-third research:

(derived from a master's thesis) Eng. Hajar Helmy Muhammad Saeed

The title of the research is "Design treatments for evening wear to enhance the aesthetic value of the general appearance"

Publisher of the Journal of the College of Education in Ismailia - Suez Canal University

Publication date Published in the issue January 16, 2010 AD

Participants in the research Dr. Najwa Farouk Kasbah - teacher of clothing and textiles - Department of Home Economics

Faculty of Specific Education in Port Said - Suez Canal University

Ms. Hajar Helmy Mohamed Said - Assistant Lecturer of Clothing and Textiles - Department of Home Economics - Faculty of Specific Education - Zagazig University

- Twenty-fourth research:

The title of the research is "a proposed plan for the advancement of handicrafts in the Arab Republic of Egypt."

Publisher The Thirteenth Arab Conference on Home Economics - Faculty of Home Economics - Menoufia University جامعة

Publication date Conference volume No. 19 Issue No. 4, (18-19) November 2009

The research participants are Prof. Dr. Rushdi Ali Eid, Professor of Clothing and Textiles

Vice Dean of the Faculty of Home Economics for Postgraduate Studies and Research - Menoufia University

- The twenty-fifth research:

(derived from a master's thesis) Eng. Hala Othman Al-Alami

Research title "The effect of the juxtaposition of jeans and velor fabrics on the quality of knitting joints"

Publisher The First International Conference (Better Life for Women and the Poor Family) College of Agriculture

Alexandria University - Bibliotheca Alexandrina 19-20/4/2010 AD

Publication date of the conference volume - April 2010 AD

The participants in the research Prof. Dr. Mohamed El-Badri Abdel-Karim Professor of Clothing and Textile

Readymade Garments Department, Faculty of Applied Arts, Helwan University

Dr. Nahla Abdel-Ghani Al-Ajmi - teacher of clothing and textiles

Department of Home Economics, Faculty of Specific Education, Damietta, Mansoura University

Lect. Hala Othman Al-Almy - Assistant teacher of clothing and textiles

Department of Home Economics, Faculty of Specific Education, Damietta, Mansoura University

- The twenty-sixth article:

Research title "A comparative study between multimedia computer programs and the traditional method of teaching in developing innovative thinking skills for fashion design for female students of the Department of Home Economics in the Faculties of Education"

Publisher: Research published in the Journal of Home Economics, Faculty of Home Economics, Menoufia University.

Publication date Volume No. 20, first issue January 2010 AD

Participants in the research Dr. Samah Mansi Hassan Hassouna - Teacher of Clothing and Textiles, Department of Home Economics - College of Education in Ismailia - Suez Canal University.

Dr. Naglaa Farouk Kasbah - Teacher of Clothes and Textiles - Department of Home Economics - Faculty of Specific Education in Port Said - Port Said University.

- The twenty-seventh issue:

Research title "A suggested computer program for learning hand embroidery for beginners"

Publisher: Research published in the Journal of the College of Education, Port Said University.

Publication date of the seventh issue - January 2010 AD

Participants in the research Dr. Cecil Aziz Iskandar - teacher of clothing and textiles - Department of Home Economics - Faculty of Specific Education in Port Said - Port Said University.

Dr. Shaima Mahmoud Abdel Ghani Halabiya - Teacher of Clothes and Textiles - Department of Home Economics - Faculty of Specific Education in Port Said - Port Said University.

☐ Research published after obtaining the degree of Professor.

- The twenty-eighth issue:

The title of the research is "Evaluation of the flat basic female model by Bray method"

Publisher The Third International Sixth Arab Conference (Developing Quality Higher Education Programs in Egypt and the Arab World in the Light of the Requirements of the Age of Globalization) Faculty of Specific Education - Mansoura University April 13-14, 2011

Publication date of the third conference volume April 2011 AD2011

Participants in the research Dr. Ghada Mustafa Al-Zaki - teacher of clothing and textiles - Faculty of Home Economics for Girls - Al-Azhar University

Dr. Enas Hamdi Rizk, teacher of clothing and textiles, Faculty of Home Economics for Girls, Al-Azhar University

- The twenty-ninth article:

Research title "The effectiveness of educational programs in the design and implementation of water tanks using computer technology"

Publisher: Research published in the Journal of Home Economics, Faculty of Home Economics, Menoufia University.

Publication date Volume No. 21, first issue 2011 AD

Research participants a. Prof. Eman Gamal Mohamed Ghazi - Assistant Professor of Clothing and Textiles - Department of Home Economics - Faculty of Specific Education in Port Said - Port Said University.

Dr. Zainab Hamed Muhammad Al-Husseini Sarhan - Teacher of Clothing and Textiles, Department of Home Economics - College of Education in Ismailia - Suez Canal University.

- Thirtieth Research:

The title of the research is "A proposed program to adjust the relationship between the model and the pattern for the design of the skirt"

Publisher: The Third International Sixth Arab Conference (Developing Quality Higher Education Programs in Egypt and the Arab World in the Light of the Requirements of the Age of Globalization) Faculty of Specific Education - Mansoura University - Volume Three, April 13-14, 2011 AD

Publication date of the conference volume April 2011 AD

The participants in the research Prof. Dr. Adel Jamal Al-Din Al-Hindawi - Professor of Clothing and Textiles - and Vice Dean of the Faculty of Specific Education - Tanta University

Dr. Aya Mohamed Fawzy El Sheshtawy - Teacher of Clothes and Textiles - Faculty of Specific Education - Tanta University

- The thirty one research: (derived from a PhD thesis) Umm Muhammad Jaber al-Sayyid Muhammad

Research title "Enriching the aesthetic and functional values of (women's) leather clothing by implementing it with manual techniques and displaying the technology of its implementation on the information network"

Publisher, Journal of the Faculty of Home Economics - Menoufia University - Twenty-Second Issue

Published July 2012

Participants in the research Prof. Dr. Ola Youssef Abdullah - Professor of Clothing and Textiles, Faculty of Home Economics - Menoufia University

Dr.. Umm Muhammad Jaber Al-Sayed Muhammad - PhD in Home Economics (specializing in clothing and textiles) - Ministry of Education

- The thirty-two research:

(derived from a PhD thesis) Randa Mounir al-Kharbawi

Research title "Economic feasibility programming for the production of classic women's jackets"

Publisher: Research Journal of the Faculty of Specific Education, Mansoura University

(Issue "29" - April 2013)

Published April 2013 AD

Research participants

Prof. Ali El-Sayed Zalat - Professor of Textiles and Clothing - Vice Dean of the Faculty of Specific Education for Education and Student Affairs - Mansoura University "previously"

Dr.. Randa Mounir El-Kharbawy - PhD in Home Economics (specializing in clothing and textiles)

The Ministry of Education

- The thirty-third research:
(derived from a PhD thesis) Sherine Hassan Hegazy
Research title "Studying the relationship between the proportions of elasticity in fabrics and the dimensions of the pattern"
Publisher Publication of the Research Journal of the Faculty of Education in Ismailia - Suez Canal University
(issue "26")
Published May 2013 AD
The participants in the research Prof. Dr. Ali El-Sayed Zalat - Professor of Textiles and Clothing - Vice Dean of the Faculty of Specific Education for Education and Student Affairs - Mansoura University "previously"
Dr. Shadia Salah Hassan - teacher of clothing and textiles, Faculty of Specific Education, Mansoura University
Dr.. Sherine Hassan Hegazy - Ph.D. Home Economics (specializing in clothing and textiles) Ministry of Education
- The Thirty-Fourth Research:
Research Title: "The Effectiveness of a Computer Program in Developing the Achievement and Sketching Skills of the Skirt Pattern for Female Students of the Ready-made Garments Department"
Publisher of the Journal of the College of Education in Ismailia - Suez Canal University
Publication date of the twenty-sixth issue - May 2013 AD
Research Participants Prof. Dr. Rizk Hassan Abdel Nabi - Associate Professor of Curricula and Teaching Methods of Science - College of Education in Ismailia - Suez Canal University
Dr. Osama Mohamed Abdel Salam, teacher of curricula and computer teaching methods, College of Education in Ismailia, Suez Canal University
Dr. Safaa Muhammad Al-Sahi Ghanem - Ministry of Education - Arab Republic of Egypt
- The thirty-fifth research:
(derived from a master's thesis) Jannat Ibrahim Muhammad Attia
The title of the research "The effectiveness of an educational program in grading models of children's clothing to develop the skill and cognitive aspects of students of the College of Education, Department of Home Economics"
Publisher Published in the Scientific Journal of Specific Education Sciences - Tanta University
Published May 21, 2014 AD
The participants in the research Prof. Dr. Ola Youssef Abdullah - Professor in the Department of Clothing and Textiles - Faculty of Home Economics - Menoufia University
Jannat Ibrahim Mohamed Attia - Master's degree in home economics (specializing in clothing and textiles) Ministry of Education.
- The thirty-sixth article:
Research title "The effectiveness of a guidebook to educate working women at Najran University about choosing their clothes"

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

Publisher: Journal of Science and Applied Arts - Faculty of Applied Arts - Damietta University

Publication date Volume IV - Issue II Published in April 2017AD

Participants in the research d. Shireen Hassan Hijazi - Assistant Professor of Clothing and Textiles - College of Education - Najran University - Saudi Arabia.

- The thirty-seventh research: "With the support of the Scientific Research Fund, Yarmouk University"

Research title "The effectiveness of learning dimensions models in developing the skills of designing patterns for secondary school students"

Publisher: Research Journal in Specific Sciences and Arts, Faculty of Specific Education, Alexandria University

Publication date Published in: Volume One, Issue Eight, December 2017 AD

Participants in the research d. Hiyam Muhammad Mustafa Ahmed - Assistant Professor of Clothing and Textiles - Faculty of Home Economics - Al-Arish University.

- The thirty-eighth research:

The title of the research is "Benefiting from some musical symbols to enrich the functional and aesthetic aspects of evening wear."

Publisher: A research published in the third international conference of the Faculty of Specific Education - Alexandria University entitled "Qualitative Education and its Role in Achieving Egypt's Vision 2030

Publication date of the conference volume, and the issue of the college journal 17 to 18/4/2019 AD

Research participants a. M. Dr. Amal Ahmed Mohamed Mahmoud - Assistant Professor in the Rural Home Economics Department - Department of Food Sciences - Faculty of Agriculture - Zagazig University.

☐ Authored books:

☐ Within the framework of the project to establish the Department of Readymade Garments at the College of Technology in Mahalla al-Kubra, funded by the World Bank, the following books were co-authored:

1. Operational Technology (1) with Deposit No. 20327/2005 AD in partnership with Prof. Dr. Mohamed El-Badri Abdel-Karim Assistant Professor of Clothing and Textiles - Faculty of Applied Arts - Helwan University.

2. Garment production technology with deposit number 20334/2005 in partnership with Prof. Dr. Muhammad Al-Badri

Abdel Karim - Assistant Professor of Clothing and Textiles - Faculty of Applied Arts - Helwan University.

3. Fashion design (1), with deposit number 5669/2006 AD, in partnership with Prof. Dr. / Mohamed El-Badri Abdel-Karim

Assistant Professor of Clothing and Textiles - Faculty of Applied Arts - Helwan University.

4. Fashion design (2), deposit number 21158/2006 AD, in partnership with Prof. Dr. Muhammad Al-Badri Abdul-Karim

Assistant Professor of Clothing and Textiles - Faculty of Applied Arts - Helwan University.

QFG11/0110 - 3.1E

Curriculum Vitae Form - Procedures of Appointment and Promotion Committee

5. Design and implementation of Patron (1) with deposit number 5670/2006 AD in partnership with Prof. Dr. Mohamed El-Badri Abdel-Karim - Assistant Professor of Clothing and Textiles - Faculty of Applied Arts - Helwan University.

6. Machinery Technology (2) No. Deposit No. 22022/2006 AD in partnership with Prof. Dr. Mohamed El-Badri Abdel-Karim - Assistant Professor of Clothing and Textile - Faculty of Applied Arts - Helwan University, engineer / Hamdi Zahran, engineer at the Arab Company for Import and Export
